OMEP Meetings in June - August

- 1) Extraordinary OMEP World Assembly **June 19**
- 2) OMEP European Regional Meeting **June 23**
- 3) National OMEP Committee Meetings **in August**
- 4) OMEP 73 World Assembly **August 28**

Dear OMEP members in Europe!

The pandemic is still so strong that we cannot meet in person in 2021. Sadly, virtual Assemblies are seldom characterized by social relations! Thus, this year, the OMEP Executive Committee arranges a chain of meetings, opening up for more possibilities to discuss with representatives from other parts of OMEP. Then, as a final step, the summary voting during the Virtual World Assembly on August 28, 2021, will hopefully be perceived as more democratic.

The World President has just sent out invitations for the Virtual Extraordinary session on June 19 and the Virtual World Assembly on August 28, supported by documents.

With this OMEP European Newsletter, I call the OMEP European Regional meeting. This is a place for discussions within and between the countries and committees in Europe.

The invitations go to the National President, but you decide who will be your representative at the different meetings. **Don't forget to register!**
